International Conference on Social Sciences

TOWARD COMMUNITY, ENVIRONMENTAL, AND SUSTAINABLE DEVELOPMENT

Introduction

The International Conference on Social Science (ICSS) is a multi social sciences conference concerned with issues of community, environmental and sustainable development in Indonesia and global. It attracts over 200 participants from academia, government and the community social sector internationally.

The ICSS will address the most pressing challenges facing Indonesia policy makers, practitioners and researchers at this key juncture. It will provide a forum for leading national and international researchers and analysts from government and private sectors in Indonesia and internationally to present their research findings and debate their implications
